

User Documentation

Leon Hook, Magnus McGee and Tiaan Stevenson-Brunt

Overview

Refer to this documentation to quickly start using our app.

Draft

ChoreRoulette

1. Add the people in your household.
2. Add the chores that need to be done.
3. Add the date and time to complete chores.
4. Spin the wheel and randomly allocate the chores.
5. Access the settings to copy the house ID so the rest of your household can access the app

For a detailed tutorial of the app please visit [\[hyperlink to website/tutorial\]](#).

PLEASE read the FAQ within the app settings or on our website if you have any questions [\[hyperlink to website/faq\]](#)
